WARRANT FOR THE ANNUAL TOWN MEETING
State of New Hampshire

You are hereby notified to meet for the 1974 annual meeting of the Town of Canterbury to be held in two sessions as follows:

FIRST SESSION

The FIRST SESSION shall be held at the Town Hall in said Canterbury on Tuesday the 5th day of March next, between the hours of 12 o'clock noon and 7 o'clock in the afternoon, to act upon the following:

1. To choose all necessary Town Officers for the year ensuing, by ballot.

SECOND SESSION

The SECOND SESSION shall be held at the CANTERBURY ELEMENTARY SCHOOL on Saturday, the 9th day of March next, at 1 o'clock in the afternoon to act upon the following subjects:

2. To raise such money as may be necessary to defray Town charges for the ensuing year and make appropriations for the same.

3. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of the collection of taxes for the current municipal year, and to issue in the name of and on the credit of the Town, negotiable notes therefor, said notes to be repaid during the current municipal year.

4. To see if the Town will authorize the Board of Selectmen to sell, lease or otherwise transfer real estate property acquired by the Town by Tax Collector's deed in a manner for the best interests of the Town.

5. To see if the Town will vote to raise and appropriate the sum of two hundred thirty-four dollars (\$234.00) to the Belknap-Merrimack Counties Community Action Program, Inc. to maintain and continue the delivery system of services to the poor.

6. To see if the Town will vote to raise and appropriate the sum of three thousand three hundred dollars (\$3,300.00) for the annual salary of an executive Secretary for the Board of Selectmen. The new Executive Secretary would assume the salary and all the duties of the present Clerk of the Board and in addition have several other responsibilities of an advance clerical and public service nature. The Executive Secretary would work in the Selectmen's office at the Town Center, have ready access to the Town records and maintain regular half day office hours five days a week as established by the Selectmen. For example the office might be open from 8:30 A.M. to 12:30 P.M. Tuesday through Saturday.

7. To see if the Town will vote to rescind the action taken on Article 15 in the warrant of the March 6, 1973 Town Meeting which appropriated from the Federal Revenue Sharing Fund an amount not to exceed three thousand dollars (\$3,000.00) for the renovation of toilets in the Town Hall and relocating the outside fuel oil tank.

8. To see if the Town will vote to appropriate five thousand dollars (\$5,000.00) for renovating of the basement, including the toilets in the Town Hall and repairing, where necessary other Town owned buildings and authorize the withdrawal of the amount required for these purposes from the Revenue Sharing Fund estab-

lished under the provisions of the State and Local Assistance Act of 1972.

9. To see if the Town will vote to appropriate the sum of not more than two thousand seven hundred dollars (\$2,700.00) for the purchase of a Model H2-10 Cool Roads Spreader body for the Highway Department and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

10. To see if the Town will vote to appropriate seven hundred dollars (\$700.00) for the purpose of the purchase and installation of commercial tile carpet on the main floor of the Elkins Library and authorize the withdrawal of this amount from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

11. To see if the Town will vote to raise and appropriate a sum not to exceed one thousand dollars (\$1,000.00) for the purchase of two Scott Air Packs and Spare tanks for the Fire Department.

12. Part a— to see if the Town will vote to designate all Town maintained (Class V) roads in Canterbury as Scenic Roads under the provisions of the Scenic Roads Act. (RSA 253).

Part b— To see if the Town will vote to designate the Canterbury Conservation Commission to administer the provisions of the Scenic Roads Act. By petition.

13. To see if the Town will vote to hold all Town Meetings on the Second Tuesday of March, with the polls open during the hours set by the Selectmen and/or Town Clerk and the meeting beginning at 8:00 P.M. except for the years in which Presidential Elections are held, at

which time the Town Meeting elections shall be held on the second Tuesday of March and the Town Meeting shall be recessed until the following Saturday at a time set by the Selectmen. By petition.

14. To see if the Town of Canterbury will vote to abolish Article seven (7) of the Town Zoning and Building Ordinance, "Clustering of Residential Uses." By petition.

15. To see if the Town will vote to raise and appropriate a sum not to exceed three thousand four hundred and ten dollars (\$3,410.00) for the purchase of a Police Cruiser and authorize the Selectmen and/or the Police Department to apply for and accept a 50% matching fund grant from the New Hampshire Highway Safety Agency.

16. To see if the Town will vote to raise and appropriate a sum not to exceed one thousand dollars (\$1,000.00) for insurance and gas, oil and other maintenance of Police Cruiser during 1974.

17. To see if the Town will vote to raise and appropriate a sum not to exceed forty-five hundred dollars (\$4,500.00) for the purchase of special equipment for the Police Cruiser, a portable General Electric Radio and material required to set up a Police Office in Canterbury Center and authorize the Selectmen and/or Police Department to apply for and accept a matching fund grant of four thousand dollars (\$4,000.00) or more from the Law Enforcement Assistance Administration under the Governor's Commission on Crime and Delinquency.

18. To see if the Town will vote to raise and appropriate the sum of one thousand dollars (\$1,000.00) for the purchase of comprehensive general liability insurance coverage as permitted by Chapter 595, Laws of 1973, Section 31:107 to provide the Town with indemnification against civil damages, personal financial loss and

expense including reasonable legal fees and costs arising out of any suit or judgment brought against the Town or any Town employee, or elected or appointed officer provided said employee or official at the time of such act or omission was acting within the scope of his employment or office.

19. To see if the Town will vote to allow the Selectmen to accept any available Federal or State Funds and Grants the Town may be eligible to receive.

20. To transact any other business that may legally come before this meeting.

Given under our hands and seal this 18th day of February, in the year of our Lord nineteen-hundred and seventy-four.

Article Three. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations for the same.

Priscilla Lockwood moved that we take up the budget item by item. Seconded by Robert Lee.

37 yes — 26 no. Motion carried.

John Hugron made a motion to increase the amount for the Police Department from \$1,900.00 to \$2,175.00. Seconded by Rebecca Fowler. This amount would cover a county dispatcher for 24-hour service. Motion passed.

Motion by Everand Young and seconded by Robert Lockwood to adopt a revised budget of \$85,612.09. Passed unanimously.

Article Four. To see if the Town will vote to give the Selectmen authority to borrow money in anticipation of taxes.

Robert Lockwood moved its adoption. Seconded by Fred Bruner. Passed unanimously.

Article Five. To see if the Town will authorize the Board of Selectmen to sell, lease or otherwise transfer real estate property acquired by the Town by Tax Collector's deed in a manner for the best interest of the Town.

Everand Young moved that we indefinitely postpone action on this article at this time. Seconded by Sargent Goodhue. Motion passed unanimously.

Article Six. To see if the Town will vote to raise and appropriate the sum of \$268.00 to be used as matching funds with a federal grant from the N. E. Regional Commission to do preliminary engineering and later detailed engineering on candidate sanitary landfill sites as directed by the Regional Refuse Disposal Planning Board.

William Bogle moved its adoption. Duly seconded. Article passed unanimously.

Article Seven. To see if the Town will vote to pay the Town Road Agent and crew time-and-a-half for overtime for anything over 40 hours of work per work week. By petition.

Ray Cushman made a motion to amend the article so that the Town Road Agent and employees should be paid time and a half for overtime between the dates November 1st through and including April 1st; and overtime shall be defined as over forty hours a week or over eight hours a day. Duly seconded. Amendment was defeated.

Sargent Goodhue moved to amend this article by adding that "the Road Agent must have the approval of the Selectmen for all overtime work." Seconded by Cliff Parker. Amendment defeated.

William Hall moved to amend this article to read "for work performed in excess of forty hours of work per work week." Seconded.

Robert Lockwood moved to amend the article by striking the previous motion to amend and adding the wording "for any time over forty hours of work per work week." Seconded by Richard Rinkaus.

Amendment passed unanimously.

Robert Lockwood moved adoption of the amended article. Seconded by Gilbert Smith. Article passed as amended.

Article Eight. To see if the Town will vote to have the office of Town Clerk combined with the office of Tax Collector, thereby creating a new office of Town Clerk-Tax Collector to be held by one individual in accordance with R.S.A. 41:45-a, such term to be for three (3) years. By petition.

Passed unanimously.

Article Nine. To see if the Town will raise and appropriate the sum of two hundred dollars (\$200) to be entered in a special account to be held by the Trustees of Trust Funds, the sum of one hundred dollars (\$100) to be designated for anticipated expenses of the Bicentennial Year, and the remaining one hundred dollars (\$100) for the Town's 250th Anniversary in 1977; and to add a similar amount (or a larger amount, if indicated) each year through 1977, and to have the Moderator appoint a member from each organization in the Town to form a committee to plan appropriate observations of the two events. By petition.

Catherine Dickson moved to amend the article by striking the words "a member from each organization in the Town to form" and to add after the word "events" the following: "composed of a member of each of the following organizations of the Town: Ladies' Benevolent Society, Woman's Club, Fire Department, Fire Auxiliary,

PTA, Historical Society, Girl Scouts (all ages), Boy Scouts (all ages), 4-R (boys), 4-H (girls), Outing Club, New Hampshire Sno-Shakers, Extension Group, and the Fair Committee. Seconded.

William Hall moved to amend the amendment to include the Echo Hollow Pony Club. Seconded by Catherine Dickson.

The amendment to the amendment and the amended amendment were both adopted.

Everand Young moved to strike the words "and to add a similar amount (or a larger amount, if indicated) each year through 1977." Seconded by Catherine Dickson. Amendment adopted.

The article as amended was passed unanimously.

Article Ten. To see if the Town will vote to instruct the Selectmen to notify the Zoning Board of Adjustment and the Canterbury Planning Board of any bona fide offers to buy or lease all or any part of the Town's Industrial Site, and to sell or lease such land if the Zoning Board of Adjustment and the Planning Board, after public hearings, approve the use and the financial consideration as being in the best interests of the town. By petition.

Ray Cushman moved to amend this article by adding after the words "if the Zoning Board of Adjustment and the Planning Board" the words "and the Selectmen." Motion seconded. Amendment was defeated.

Robert Lockwood proposed the following amendment to the article: To strike everything after the words "Industrial Site" and substitute "and that any such land to be sold only by approval of the voters at a duly called special or regular town meeting." Duly seconded. Amendment defeated.

Kay Cushman moved to strike the entire article and substitute the following: "To see if the town will vote to instruct the Selectmen to hold a public hearing regarding any bona fide offers to buy or lease all or any part of the town's Industrial Site." Seconded by Robert Lockwood. Amendment adopted.

Charles Dean moved the adoption of the amendment in place of the original article. Duly seconded and passed unanimously.

Article Eleven. To see if the Town will vote to raise and appropriate a sum not to exceed \$250 for the purchase of acid free paper, the necessary cataloging and other services associated with permanently preserving a number of valuable glass negatives from old photos of local buildings and scenes.

Charles Dean moved its adoption. Seconded. Article passed unanimously.

Article Twelve. To see if the Town will adopt an ordinance governing the construction, installation and use of mobile home parks in the Town of Canterbury, New Hampshire, as proposed by the Planning Board and which is printed in this report.

Everand Young moved its adoption. Seconded by Linwood Rogers. Article passed unanimously.

Article Thirteen. To see if the Town will vote to appropriate two hundred forty-eight dollars (\$248) for a 4-channel G. E. radio including installation for the Police Department and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Charles Dean moved its adoption. Seconded by Andrew Fowler. Article passed unanimously.

Article Fourteen. To see if the Town will vote to appropriate six thousand two hundred seventy-five dollars (\$6,275.00) for five 2-channel radios and 20 plectron alerters for the Fire Department and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Charles Dean moved its adoption. Seconded by Robert Lee. Article passed unanimously.

Article Fifteen. To see if the Town will vote to appropriate a sum not to exceed three thousand three hundred dollars (\$3,300.00) for renovation of toilets in lower floor of Town Hall including replacement of bowls and fixtures, also to relocate the outside fuel oil tank and authorize the withdrawal of the amount required for these purposes from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

Robert Lockwood moved its adoption. Richard Rinkaus seconded. Passed unanimously.

Article Sixteen. To transact any other business that may legally come before this meeting.

Signatures were requested for a petition protesting the closing of the New Hampshire Hospital School of Nursing.

Robert Hill offered a resolution addressed to the Commissioner of Public Works & Highways regarding the condition of Route 3-B. This would request that the section of state road Route 3-B from Southwest Road to Boyce Road be completely resurfaced at the earliest possible time. Seconded and resolution was adopted.

Rebecca Rowler wanted to know why the Budget Committee meetings are not open to the public and why the

meetings are not posted. A short discussion and explanation followed.

Robert Lockwood announced that Tuesday night there would be an informal public hearing on the school budget at the Canterbury Elementary School and also announced the registration times for new voters.

William Hall proposed a standing vote of thanks to John Hugron for three years of work as a Selectman.

Catherine Dickson announced the sale of pre-publication numbered copies of the Canterbury History for \$25.00.

Meeting adjourned at 4:25 P.M.

CEMETERY COMMISSION REPORT

The Selectmen and the Cemetery Commissioners pooled their resources and were thus able to provide better maintenance of the grounds around the Center. Unfortunately it is difficult to find anyone able to devote the time required to do all the work really needed in the many cemeteries.

Work should start in April and wind up in October. It would be a reasonably well paying job for someone of late high school age with a vehicle to transport the mowers. It is a job that must be done at the proper time. We now have a riding mower and two power mowers to make the work as easy as possible. Anyone interested should contact the Cemetery Commissioners or the Selectmen.

REPORT OF THE CANTERBURY FUND

The receipts and expenditures of the Canterbury Fund during 1973 were:

Receipts

Interest	\$ 478.79	
Dividends	167.24	
Canterbury Fair Donation	1,800.00	
Miscellaneous Income	3.52	
	<hr/>	
Total Receipts		\$ 2,449.15

Expenses

Grants	\$ 883.38	
Miscellaneous Expense	16.10	
Bank Service Charge	1.08	
	<hr/>	
Total Expenses		\$ 900.56

At the close of 1973 the book value of the fund was \$16,452.47 and was invested as follows:

Concord National Bank — Checking Acct.	\$ 943.33	
N. H. Savings Bank — Savings Acct.	7,417.74	
Investments	8,091.40	
	<hr/>	
Total		\$16,452.47

Due to deteriorating economic conditions and falling stock prices, the market value of investments on December 31, 1973 was \$1,003.90 less than cost with the result that the liquidating value of the Fund on that date was \$15,448.57. Col. Sabin W. Guertin has audited the books of the Fund from its inception to the close of 1973.

During January 1974, an additional grant of \$304.19 was made by the Trustees on recommendation of the Loan Committee.

Application for loans should be made to one of the following members of the Loan Committee:

Mrs. James W. Lilly, representing the Parent Teachers Association.

Mr. William C. Wheeler, representing the Canterbury Volunteer Fire Department.

Mrs. Paul N. Scripture, representing the Canterbury Woman's Club.

Mr. John H. Ross, Deacon, Canterbury Community Church.

Mrs. Oliver R. Fifield, Deaconess, Canterbury Community Church.

The Trustees again urge that everyone participate in the annual Canterbury Fair as it is the chief source of funds in building this emergency fund for the benefit of our neighbors who may be in distress.

CANTERBURY HISTORICAL SOCIETY

During the past year the Canterbury Historical Society undertook the ambitious project of having Lyford's History of Canterbury reprinted in a single volume. Original sets when obtainable are selling for \$165; making them far above the financial capability of most Canterbury residents. The reprinted edition now available is a duplication of the original in content, including all of the illustrations and maps plus a foreword by Leon Anderson and a jacket of nostalgic design by Jim Lilly. It is our hope that many families will find it within their means to purchase these Historys to be passed down to their children. Numbered copies are available for \$30 while they last.

The Society received its first Memorial Fund during the past year. The family of Herman Colby honored us by suggesting that contributions be made to the Society instead of sending flowers. The contributions enabled us to purchase eleven deeds dating from the early 1700's. The collection will be called the COLBY COLLECTION and will be on exhibit as soon as we have them prepared for viewing.

We solicit your participation. We are actively preserving the past for future generations. All contributions of articles or money are most gratefully received.

ELKINS PUBLIC LIBRARY

Elkins Public Library functioned very smoothly in 1973, largely because we had a single librarian, Ann Albert, for the entire year. We are most grateful to have found a librarian who has stayed with the job long enough to learn the ropes and even to introduce some improvements into the library system. The longer hours, for which the town appropriated money last year, have turned out to be more realistic in terms of how long it really takes to do the librarian's job.

One small innovation that has caused some grumbling among our patrons was the increase of fines for overdue books from 1¢ to 2¢ per day. This new regulation seems to be serving its purpose, however, in encouraging readers to return books on time so that others may borrow them.

Although library visits by Canterbury Elementary School classes were discontinued when the school set up its own library, the trustees felt that we would still like to make our large book collection available to the students at the school. We are trying out a program now whereby the school library borrows a quantity of our books for several months at a time, thus increasing the variety of books available to the students in the same way that we increase our collection by borrowing from the state bookmobile.

This cooperative program with the school should help to give our children's books greater circulation, but we still have many books in our adult collection that are read very little or not at all. The trustees are always glad to receive suggestions of books to purchase, and we would encourage all Canterbury residents to find out

what books are available already. Won't *you* come in
and make use of *your* library?

REPORT OF CANTERBURY POLICE DEPARTMENT

For the Year Ending December 31, 1973

Chief of Police, Leroy A. Glines

Our Canterbury Police Department had a very active year. These activities are highlighted by a major burglary of a residence where many thousands of dollars worth of antiques and valuables were stolen. Our department also had a complaint of trespassing which led to the arrest of 26 persons, along with the recovery of two (2) stolen vehicles. In this raid we were assisted by State Police, Belknap County and Merrimack County Sheriff's Depts., Belmont Police Department and several surrounding departments.

Our department has seen other changes this year. We gained two additional officers in July, being Robert Moore and David Dunlap, they have been a great help to the department as they increased our number to 5 men. Unfortunately this fall, Chief Harold Streeter, a veteran of police work in Canterbury for nine years decided to resign. The residents of Canterbury and myself especially would like to say thanks for the many hours of time Harold has given to the Police Department and our community in helping to make Canterbury a better and safer place to live.

This fall, we also accepted the resignation of Ludgar Flammand from our department for health reasons. Mr. Flammand was a big loss to the department and we miss his help, especially in the Sherwood Forest area.

This year we joined the Merrimack County Dispatch Center, located in Concord at the County Court House. This service provides Canterbury residents with 24 hour Police Communication Protection. This means that someone is always available to answer phone calls and immediately arrange for a wide range of professional help

involving accidents, burglaries, and sometimes just information or advice.

Our biggest challenge is to provide this type of service for our town and at the same time, work within our budget.

With the increasing number of people moving into Canterbury and the establishment of full time police departments by most of our neighboring towns we are faced with an increasing work load. People who have a tendency to commit crimes look for towns without a full-time force. I believe that a reasonable amount of preventative patrolling and knowledgeable police officers, are most essential in our attempt to provide adequate law-enforcement services to our townspeople.

The following is an Analysis of Activities During 1973

Accidents, Call-in	23

REPORT OF THE CANTERBURY VOLUNTEER FIRE DEPARTMENT, INC.

There was a total of 23 runs made by the Dept. in 1973. 1 false, 6 brush & grass, 2 dwelling, 9 Mutual aid, 4 automobile, 1 barn.

The central dispatch system has been in effect 6 months and as expected is more efficient than the red phone system.

Membership in the Dept. has increased approximately 30% the past year.

If you have a new neighbor, please be sure they have the correct fire phone number.

225-3355

The value of Mutual Aid was well proven here at the Shaker barn fire. It was one of the largest and hottest in the area this year. The determined efforts of this Dept. and surrounding towns including many units from the Lakes Region Mutual Aid under the direction of Deputy Dudley prevented the possible loss of the entire Shaker Village.

Many fire depts, have taken another look at this fire and plans for better and larger attacks on fires like this are being written.

ROBERT V. LEE

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The New Hampshire Forest Fire Service is represented in every town, city or unorganized place in our state by the forest fire warden. Anyone wishing to kindle an outside fire when the ground is not covered with snow must first obtain the written permission of the fire warden. Except for cooking fires, no fire can be kindled between 9:00 A. M. and 5:00 P. M. unless it is a commercial or industrial burn or it is raining. The fire warden is assisted in his work by the District Forest Fire Chief who works for the Department of Resources and Economic Development Forest Fire Service.

Fire prevention was, again this year, the most important part of the Forest Fire Warden's job. Fire statistics show the need with 72% of the fires caused by smoking, debris burning and children. Smokey the Bear is an important prevention tool but he still needs much help from the public. Parents should warn their children of the hazards of playing with matches. Children tend to forget that a lighted match held in their hand is a potential forest fire.

REPORT OF PLANNING BOARD

CANTERBURY, NEW HAMPSHIRE — 1973

In addition to its usual monthly meetings, The Planning Board, conducted several formal hearings on subdivision applications in the course of the year. Preliminary discussions prior to the submission of applications were held in all cases. Included among them was the first request for approval of plans for a major subdivision. This involved the former Dodge property on Route 3-B and Wilson Road. An 18 acre lot plan was approved. Late in the year applications for the second major sub-division had been tentatively submitted and discussed. Aside from these two, all other sub-division plans approved were of the minor variety and mostly exempt under section 209 of the regulations.

The Board also considered possible clarifying and correcting amendments to the zoning ordinance but has no such changes to recommend to the voters at this time.

During the coming year, the Board hopes and expects to develop recommendations designed to implement some of the suggestions contained in our long range, comprehensive town plan. In doing so, we hope to cooperate with other town organizations, including the Solid Waste Disposal Committee and the Conservation Commission. Suggestions will be welcome from any citizen.

The regular monthly meetings of the Board are held on the second Thursday of each month (except August) at its office in the basement of the Town Hall at 7:30 P.M.

and are open to the public. Minutes of each meeting are subsequently filed at the library.

CONSERVATION COMMISSION

Your Conservation Commission is continuing its interest in exceptional natural areas in town. It has contacted several owners and indicated the public's interest in these areas.

We are working with the Central Elementary School in establishing a nature trail in the school area. Teacher orientations, tours, assistance in selecting teaching material, and plans for controlling the poison ivy infestation have been contributed by members of your commission.

The town roads in Canterbury present an unusual opportunity to preserve the rural environment which has attracted many people to our town. The Scenic Roads Act provides the basis for adapting the standards for road construction and maintenance to the roads in a way which will keep many of the trees and walls which make country roads attractive. We believe that future work on town roads should be done in accord with the Scenic Roads Act.

The membership of the Commission has been increased by two additional members. The original commission recommended that the new members be women to add a new point of view to our work and to better express our ideas to that part of our townspeople.

We regret that Larry Stickney felt it necessary to resign from the Commission due to personal circumstances. He has been of real assistance in our work.

We have been interested in the expanding housing developments and in the problems of waste disposal from their effects on the environment.

CIVIL DEFENSE

The year saw a revival of interest in disaster preparedness. A new basic emergency plan was prepared and has been approved by the state agency. Services annexes to the plan will be prepared when personnel to head up the services are selected.

The town is now eligible to participate in the federal matching funds, surplus and excess property programs. Through the excess program a 6X6, 2½ ton truck, acquisition value \$7,000.00 was obtained at no cost to the town. The new sander has been mounted on the truck.

Emphasis will be placed in the coming year to develop plans to handle emergency situations such as floods, hurricanes and blizzards to which this area is subject.

A plan to provide relief for persons seriously affected by the energy crisis has been drafted and is being finalized. A review and, if necessary, school emergency plans will be made.

CLIFTON PARKER
Director

REPORT OF THE CANTERBURY MEMBERS OF THE CAPITOL REGIONAL REFUSE DISPOSAL PLANNING BOARD

In February 1973 the New England Regional Commission accepted the plan presented by the Central New Hampshire Regional Planning Commission through its Director, Mr. David H. Rogers. The New England Regional Commission made a matching funds grant of \$40,000.00 for preliminary site engineering on possible disposal sites and other planning associated with a solid waste disposal solution for the Central New Hampshire Region.

At the March 1973 annual town meeting the voters of Canterbury passed article six, thus appropriating \$268.00 in matching funds for the work of the Capitol Regional Refuse Disposal Planning Board. Eleven other towns also supported this effort by appropriating money at thirty cents per capita and \$11,003.00 was thus raised.

The engineering firm of Anderson-Nichols and Co., Inc. was engaged to do preliminary engineering studies on potential disposal sites. Before the studies started we looked throughout the region for other possible disposal sites. Two other possible sites were selected, one in Allenstown and the industrial site in Canterbury.

During the ensuing study, sites in the following towns were examined, including digging test pits and taking test borings: Concord, Bow, Loudon, Hopkinton, Warner, Allenstown and Canterbury.

Although the engineering report on this study will not be delivered until early February, Anderson-Nichols has reported as follows: Considering all the factors involved, three sites were chosen as possible regional sanitary landfill areas; Concord, Bow and Loudon. The final re-

port will probably choose one of these as the prime site with another selected as the alternate site in case detailed engineering on the prime site discloses adverse attributes.

The work of the Capitol Regional Refuse Disposal Planning Board during 1974 might be as follows, depending upon direction from their respective towns:

A. Engage an engineering firm to do intensive engineering investigation on the prime sanitary landfill site and present an operational plan for its development as a Regional Sanitary Landfill. This work should include complete cost estimates for development and operation of the site and each anticipated community's share for capital cost and operation based on refuse contribution and transportation involved.

B. Formulate the ways for organizing, operating and controlling a Refuse Disposal District.

C. Present information concerning this proposed agreement through hearings, meetings and written media, in such detail so that responsible decisions can be made by citizens of the member towns.

D. Submit this Refuse Disposal District Agreement to their respective towns for adoption or rejection at a town meeting.

The Canterbury site investigated as a possible regional, sub-regional or local sanitary landfill is the Canterbury industrial site.

The preliminary findings were:

The site, based on the preliminary engineering done, seems acceptable for a sanitary landfill. The test pits and borings did not disclose any water or ledge, only fine and medium sand. It is recommended that the 25 or 30 acres

south of the ravine, that divides the site, be used for a sanitary landfill. The useable area of the site is not large enough for a regional site. From a regional point of view the site is remote and transportation cost would be high. The site is within 1,000 feet of interstate highway I-93 and thus would conflict with a government regulation relating to esthetic factors near interstate highways. The land deed (from State of New Hampshire to Town of Canterbury) precludes its use for other than industrial purposes.

Comments on these findings and related matters are:

The citizens and town officials of Canterbury must decide what the use of the Canterbury Industrial Site is to be:

- A. An industrial site only.
- B. A sanitary landfill only.
- C. A combination sanitary landfill (possibly south of the dividing ravine) and industrial site (possibly north of the dividing ravine).
- D. Neither of the above.

Two years ago the town officials seemed to have a potential industrial customer for this site—yet no clarification or explanation of the disposition of this matter was given to the townspeople at the town meeting.

If the town desires to consider the industrial site or part of this site as a possible sanitary landfill site, it is felt that the deed problem and the nearness to I-93 can be solved by hearings and negotiation among the interested parties. After all, by working on this sanitary landfill we are trying to comply with federal and state regulations and the no dump or open burning deadline of July 1, 1975 is getting closer. Certainly the positive attributes of the industrial site for sanitary landfill pur-

poses, including the fact that it belongs to the town and no land acquisition cost would be involved, should be a factor in any town decision.

The Canterbury members of the Capitol Regional Regional Refuse Disposal Planning Board make the following recommendations to the town:

A. Continue the parallel approach of working with the regional effort toward a regional or sub-regional solution, while concurrently the Canterbury sanitary landfill committee is independently studying a solution that would include:

1. A "go it alone" approach.
2. Cooperative effort with one or more towns of our choosing. (Loudon is a prime candidate since they also have a suitable site and are near us).
3. Other approaches including a private contractor.

B. The Capitol Regional Refuse Disposal Planning Board and the Canterbury Sanitary Landfill Committee must be instructed to move at a faster pace during 1974.

C. It is felt that, probably before we are ready, the Capitol Regional Refuse Disposal Planning Board will ask for a special town meeting to adopt or reject their regional plan or to give them some indication whether we will join them or not in a regional or sub-regional sanitary landfill venture.

Respectfully submitted,

RAYMOND G. CUSHMAN
WILLIAM R. HALL
WILLIAM N. BOGLE

REFUSE DISPOSAL COMMITTEE — 1974

The Refuse Disposal Planning Committee representatives appointed by the Town Moderator in 1972 joined with eleven other communities to form the Capital Regional Refuse Disposal Planning Board. The Board action in May was taken under N. H. RSA 53-B:3. The cooperating communities are Allenstown, Bow, Canterbury, Concord, Dunbarton, Epsom, Henniker, Hopkinton, Loudon, Pembroke, Salisbury, and Warner.

In June, the Central N. H. Regional Planning Commission received a \$40,000 Federal grant to plan a refuse disposal system to meet the needs of the cooperating communities according to New Hampshire law. The Refuse Planning Board works with the Regional Commission as the refuse planning operation. The 30 cents per capita solid waste assessment in 1973 was a condition of the Federal contract for all communities in the Disposal Planning Board. These funds are held in escrow to be used to further the disposal planning program with acquisition and site work as necessary. No further solid waste assessment is requested in 1974.

To date, seven sites have been investigated under the engineering contract with the Anderson-Nichols Company to determine the capability of the sites to accept solid waste in landfill operations as required. In 1974, under the 24-month contract, the detailed engineering, operations requirements, costs, financial and legal data will be developed to be presented to member communities for final action in 1975.

Draft prepared for Capital Regional Refuse Disposal Planning Board members by the Regional Commission.
